PRESIDENT'S REPORT by Chuck Pettit

I want to take this opportunity to welcome all the new representatives to Staff Congress and welcome back those who have been around for a year or two or three! I look forward to a very productive year.

I especially want to thank our outgoing president, Ms. Linda Wright. I have learned a great deal from her the past two years and will make every attempt to carry on the fine job she has done for the staff.

Congratulations to Ms. Barbara Herald from Personnel Services for becoming the first staff member elected to the Northern Kentucky University Board of Regents. We are confident that she will represent us well on the Board.

We are getting a new parking lot behind the AS&T building. There will be approximately 114 spaces and I have been told that there will be no reserved spaces in that lot.

The Gus Macker Basketball Tournament went off with very few problems. A big THANK YOU to all staff and faculty who volunteered to work the tournament. Another big THANK YOU goes out to all staff and faculty who continued the operations of the University Saturday and Sunday under very different circumstances.

The Staff Awards luncheon is slated for October 6, 1994. The cost will be \$6.00 per person. More information will be forthcoming.

September 1 is Founders Day on campus. Information will be in the Campus Digest regarding the festivities.

The Staff Congress representative for the Regents Distinguished Awards Committee is Diana Schneider from Campus Recreation. When the nomination forms come out, let's get behind staff members who we feel are doing an outstanding job!

Constituency lists for Staff Congress members will be mailed out the last week in August. They will be contacting the people they represent so we may have that all important two way communication.

If at anytime a staff or faculty member has a comment or concern they would like to share, contact your Staff Congress representative or call me directly at X6502. We are here to serve one another.
